Special Tensile V-Belts

Most of Gates' standard industrial V-belts use polyester tensile. However several belts use special tensile cords. These include:

8VK MP PowerBand®	-	Aramid
PoweRated™	-	Aramid
Power Cable™	-	Aramid
Predator™	-	Aramid
*Super Vulco Ropes™	-	Nylon

*Since late 1996, these are not in our standard line any longer.
