GATES MADE-TO-ORDER METALS

Specializing in prototype and production pulleys, sheaves and sprockets for customized power transmission applications.

THE MADE-TO-ORDER ADVANTAGE

The dedicated MTO Metals team offers comprehensive and competitive solutions for all requests, making it easy to acquire hardware for non-standard applications.

MADE-TO-ORDER METALS QUOTE REQUEST WORKSHEET

Use this form for faster, more accurate quotes. Complete, scan and email to makemymetal@gates.com or fax it to 303-744-4080

Part Description _____

Quantity _____

Bore Configuration _____

BTS _____ MPB _____

QD _____ TL _____

Idler Brgs _____

Material (Specify) _____

Speed of Driver _____

Balancing FPN _____ or RPM _____

Finish (Specify) _____

Notes _____

Company _____

Contact Name _____

Street _____

City _____ **State** _____ **Zip** _____

Account # _____

Phone _____ **Fax** _____

Email _____

MTO METALS CAPABILITIES INCLUDE:

- > Any Design
- > Any Volume
- > Any Size
- > Any Lead Time
- > Any Material or Finish

IF YOU CAN DESIGN IT, WE CAN DO IT.
